

Proud sponsor of the American Cancer Society

As a sponsor of the American Cancer Society and the **Making Strides Against Breast Cancer Walk**, IBT is excited about our **Stay Connected—Cure Breast Cancer Cable**. A portion of the proceeds will be donated to the American Cancer Society!

Stay Connected—Cure Breast Cancer Cable

This **CAT5E five foot cable** is primarily used for networking, data transfer, and phone lines. This cable is priced at an affordable **\$5.00 each**.

Other lengths can be purchased.

This simple, inexpensive cable can be a daily reminder of how you have supported **The Cure** and the fight against breast cancer.

Help the American Cancer Society **make a difference, make history, and make strides**.
